

THANKS GIVING 24

EMMANUEL
Loughborough

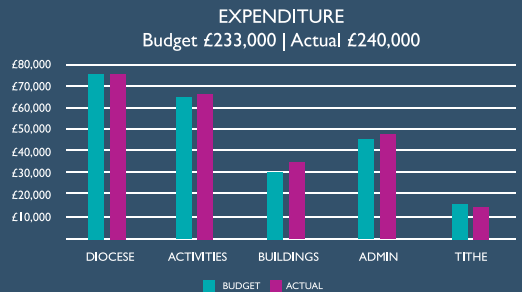

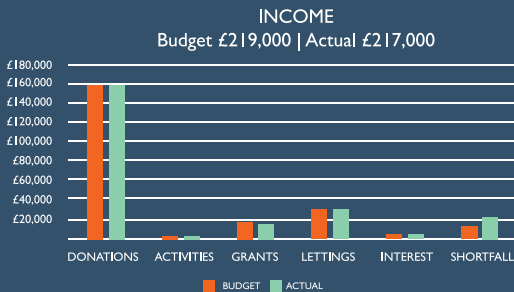

An introduction

Emmanuel Loughborough is a church in the Diocese of Leicester, which is part of the Church of England. The donations and income we collect at Emmanuel are partly-donated to the Diocese to help fund the cost of our clergy and partly-spent directly here by our PCC. This was our budget for 2024, which included an expected shortfall of £15,000 which we hoped to make up from increased lettings and some additional donations.

How it's going so far

We are really grateful for your generosity so far this year. The tables below show that our income is just £2000 below budget, but unfortunately we have incurred additional expenditure in several areas. The PCC has regrettably decided to reduce our contribution to the Diocese by £15,000 in 2024 which will hopefully enable us to end the year on, or better than, budget. [These figures do not include any additional gifts that might be received within 2024.]

Next year

In 2025 we have been faced with a challenging budget. With increasing costs, we are likely to need to make some difficult choices regarding our spending. Our aim is to set a balanced budget for 2025 as we no longer have any surplus reserves to cover any shortfall. If you have any question our Finance team will be available in person on 24 November or can be contacted anytime by email.

The extent of any reductions in expenditure which will result in reduced activities depends very much on the response to this year's Thanksgiving Appeal. We therefore ask you to prayerfully consider your response and return the form overleaf to enable us to plan accordingly.
